HUDSON Six 54, \$2250

## Ask Any Six Owner If He Would Go Back to a Four

HE would as soon go back to candles after using electric lights. Vibration disappears when you ride in a Six. Rough roads and smooth, hills and valleys, ruts and asphalt are alike to the six-cylinder motor. Jerks and jars no longer annoy and fatigue. Bumps are gone. You glide instead of bouncing.

## Lasting Value of HUDSON Six 54

BECAUSE it is a six-cylinder car, and equipped with the wanted streamline body, the HUDSON Six 54 is a good investment.

It will give you all you can desire of motor satisfaction. And will retain a used-car value sufficient to hold your annual motor-car outlay at a low figure.

For bear in mind that depreciation in selling value of your car is more important to consider than even tire and gasoline expense.

Remember that a popular, stylish car is easy to turn into money. And that no buyer will pay for a "back number."

## The Distinctive Car of the Year

THE HUDSON Six 54 is the distinctive car of the year. It is a six-cylinder car, with four-speed trans-

mission, left side drive, right-hand (center) control, gasoline tank in dash, electrically lighted and started.

Disappearing seats provide for carrying four, five, six or seven passengers, yet the car is compact and light in weight.

It has 135-inch wheel-base, 36x4 1/2-inch tires, and all approved conveniences and luxuries.

Many have called it the handsomest automobile they ever saw.

So flexible is its six-cylinder motor that it runs steadily and smoothly at the pace of a man's walk on high gear in congested traffic, yet jumps to express train speed at a touch of the accelerator pedal.

So easy is its control that a child may drive it.

And because of its simplicity and convenience many women prefer it to the electric car.

# HOUSEKEEPERS Must be Watchful

For great efforts are being made in this vicinity to sell baking powders of inferior class, made from alum acids and lime phosphates, both undesirable to those who require high-grade cream of tartar baking powder to make clean and healthful food.

The official Government tests have shown Royal Baking Powder to be a pure, healthful, grape cream of tartar baking powder, of highest strength, and care should be taken to prevent the substitution of any other brand in its place.

Royal Baking Powder costs only a fair price per pound, and is cheaper and better at its price than any other baking powder in the world.

### Hunters Find Corpse.

Lacoste, Tex., Nov. 1.—While Harry Alves, 136 Callaghan Avenue, and James Gray, 203 Warwick Boulevard, San Antonio, were hunting today about two miles west of this place they discovered the body of a man about fifty yards south of the Southern Pacific tracks in what is known as the Bohl pasture.

The man had evidently been dead for several months and his remains were scattered over a large area by wolves and rats. There was a bullet hole through the back of the head and the right side of the skull was cracked.

The dead man wore a blue serge coat made by Ralph Moke, a blue hickory shirt, light tan corduroy trousers, leather belt and a checkered scarf. A 32-caliber Howard Arms Company center fire pistol was found near the body and forty-one cartridges were found in his pocket. Two business cards of the Imperial Jewelry Company of Houston were found in his pocket; on the back of one was written in pencil "Lokas" and on the other "Otto Peters."

A Coroner's inquest will be held tomorrow.—Sunday's Express.

### To Improve Pretty Hair And Beautify Ugly Hair.

Harmony Hair Beautifier, a delightful liquid hair dressing, is just what it is named—a hair beautifier. No matter how pretty your hair now is, it can be made to look even better by using Harmony Hair Beautifier. To those who mourn because the hair is stringy, dull, lustreless and homely, Harmony Hair Beautifier will prove a real blessing and pleasure. It seems to polish and burnish the hair, making it glossy, silky-soft and more easy to put up in graceful, wavy folds that "stay put." It overcomes the oily smell of the hair with a dainty, true-rose fragrance, very pleasing to the user and those around.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—Martin Drug Co., Hondo, Texas.

### Simplicity in Advertising.

(By W. Holt Harris.)

The object of an advertisement is not to create admiration for the writer but desire for the article advertised. Advertising is salesmanship on paper and no discussion should be tolerated in printed talk that would not be countenanced in personal selling. An ad should speak the plain English language. Muslin cannot be sold with quotations from Omar or trousers with excerpts from Marie Corelli. Cut-out clever phrases if they are inserted to the sacrifice of simple facts and write copy as you talk, only be more brief. Sir Isaac Newton's explanation of gravity covers six pages but "what goes up is bound to come down" states the case in six words.

The skilled advertiser works with small words—these fit into more minds than flowery phrases. He seeks to inform rather than instruct. All minds are not built for high grade thinking and the buying public is only interested in facts. The advertiser who takes up the least of the readers time and states the most facts gets the best returns. Cultivate brevity and simplicity.

### A Night of Terror.

Few nights are more terrible than that of a mother looking on her child choking and gasping for breath during an attack of croup, and nothing in the house to relieve it. Many mothers have passed nights of terror in this situation. A little forethought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by All Dealers.

How a girl does hate to have red cheeks just after coming out of a dark hall with a young man who needs a shave.

### Pain in Back and Rheumatism.

Torment thousands of people daily. Don't be one of these sufferers when for so little cost you can get well rid of the cause. Foley Kidney Pills begin their good work from the very first dose. They exert so direct an action on the kidneys and bladder that the pain and torment of backache, rheumatism and kidney trouble is soon dispelled. W. H. Windrow.

is wearing and dangerous because the inflamed, mucus-filled tubes interfere with breathing and the fresh air passes through that unhealthy tissue.

Probably no other remedy affords such prompt and permanent relief as Scott's Emulsion; it checks the cough, heals the linings of the throat and bronchial tubes and strengthens the lungs to avert tuberculosis. # "STARVING TO DEATH"

Was Mrs. Bell, of Florida, When She Began Taking Peruna.

"Yes, I was starving to death," said Mrs. Emma Bell, of Fort Pierce, Florida, Box 204, "when I began to take Peruna. I could not eat anything. If I swallowed anything it would go down my stomach. My stomach was very much swollen. My bowels acted as if I had acute dysentery. I was in great distress and pain. Three doctors had been employed, but gave me no relief. I was continually growing worse.

I Was In Despair.  
"In my despair I caught at every straw. Picking up a newspaper I saw an account of Peruna. There was a testimonial from a woman who had been troubled much like myself. I concluded to try Peruna.

I Wrote to Dr. Hartman.  
"At the same time I wrote to Dr. Hartman. He pronounced my case catarrh of the stomach and bowels. I soon began taking Peruna. At once I began to improve. After taking half a bottle my stomach was so improved that I could eat some."

I Began to Recover.  
Then this good housewife goes on to narrate in detail her rapid improvement and final recovery. She said, "After taking two bottles of Peruna I was strong enough to stand up and wash the dishes." When she began taking Peruna she weighed 122 pounds. After she had taken five bottles of Peruna she weighed 122 pounds. She concludes by saying that she is well.

It Was Twelve Years Ago.  
The letter from which the above quotations were made was received January 29, 1901. In a later letter, written September 11, 1904, she says, "I sing the praises of Peruna far and near. It is used a great deal in our vicinity. This seems to be a bad place for catarrh." We have received letters from her since. The last time

### Declare War On Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car."
- "Don't sleep in hot rooms."
- "Don't avoid the fresh air."
- "Don't stuff yourself at meal time."

Overeating reduces your resistance.

To which we would add--when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by All Dealers.

We know a young man who is a member of an amateur theatrical society, belongs to a glee club and writes poetry, yet he claims to have no vices.

In severe cases of sore lungs you need an internal and external remedy. Buy the dollar size BAL-LARD'S HOREHOUND SYRUP, you get two remedies for the price of one. With every dollar bottle there is a free HERRICK'S RED PEPPER POROUS PLASTER for the chest. Sold by W. H. Windrow.

"Man cannot serve two masters," quoted the Wise Guy. "How about the fellow who has a wife and a baby?" asked the Simple Mug.

### Tonight.

Tonight, if you feel dull and stupid, or bilious and constipated, take a dose of Chamberlain's Tablets and you will feel all right tomorrow. For sale by All Dealers.

## How to Secure a Handsome HAND DECORATED Dinner Set Free!

Trade is never so brisk but any store can handle more of it. Being no exception to this general rule we expect to increase our business by offering for CASH TRADE premiums of the greatest value that have ever been given out.  
A housekeeper may acquire a whole set of this chinaware at absolutely no expense by simply buying the goods you need in our line of us at prices always the lowest.  
We desire to inform you that we have a contract with the oldest and one of the largest potteries in the United States to furnish us with a quantity of High Grade, Richly Decorated Semi-Porcelain Ware. The arrangement we have made with this pottery enables us to keep the Pattern in open stock and as an advertisement to place a handsome dinner set in every home in this vicinity.  
The quality of this ware is first-class in every particular, the utmost care being taken in its manufacture, and it will not break or chip as easily as most ware does, and is guaranteed against crazing. The decorations are burned into the glaze, thus making them permanent.  
The distribution of these handsome dinner sets will not effect our prices in any department. All goods you buy from us will represent the most and best that your money can buy elsewhere.  
We are giving you an opportunity to secure a complete DINNER SET as an advertisement to increase our business and to show in a substantial way that we appreciate your trade.  
We accordingly extend you a special invitation to call at our store and inspect these beautiful dishes. It will be to your advantage to call at once so we can explain to you our plan in detail.

Hondo 18, Uvalde 0.

An interesting game of foot ball was witnessed by the fans of Hondo last Saturday. Uvalde's line was weak and every time Miller made a line buck it meant a gain for Hondo. As McClaugherty was knocked out during the first half, Arthur Jungman came from left tackle to take his place, which was left half.

Hondo's back field did good work from start to finish, especially on end runs and line bucks. During the last half Hondo scored three touchdowns to Uvalde's none.

Hondo's quarter back, while making a buck through center, happened to strike "Curley" a little too hard so he had to withdraw from the game, and Frank Jungman took his place.

The score was eighteen to nothing in favor of Hondo. Stars for Hondo were: Miller, Windrow, Arthur Jungman and Filleman.

The Uvalde High School girls and the Hondo High School girls played an interesting game of basket-ball here Saturday morning. Owing to a misunderstanding of the rules the game was called a tie.

Mrs. M. L. Darby, formerly of this place but now of Edna, Texas, where Rev. Darby is pastor of the Methodist church, was here the first of the week, the guest of friends. She left for home Wednesday evening.

F. W. Butler and family moved this week to San Marcos where they will make their future home. The Anvil Herald regrets the departure of these estimable people and wishes them success in their new home.

C. W. Gilliam, the new proprietor of the Hondo Auto Sales Co. garage, went to San Antonio yesterday to bring out a new Hudson Six Demonstrator. See the description of the Hudson Six on the front page.

Charlie Metzger has laid off an addition to Hondo on the southside and will shortly put some nice lots on the market. County Surveyor H. V. Haass was here this week surveying and platting the addition for him.

Jacob Rihn returned to his home near Lacoste Thursday after having moved the family of his son-in-law, Ambrose Zimmermann, to Hondo. Mr. Zimmermann is occupying the Koch house near the school house.

C. W. Gilliam has bought out the interest of his partners, C. W. Roberts and O. H. Miller, in the Hondo Auto Sales Co. and will continue the business at the same stand and will continue to sell the same popular line of cars.

Jeff Jones, one of the original founders of the Herald, was here Wednesday from Dallas on a visit to his brother, A. P. Jones, and family, and his old time friends. This was Mr. Jones' first visit to Hondo in a number of years and he noted many changes in the town.

J. P. Lippold, the government gin statistician, reports 11,272 bales of cotton ginned in Medina County up to October 18th. Up to the same date last year there had been ginned 14,945 bales, making this season short 3,673 bales. Mr. Lippold says the reports all over the state show about the same average shortage.

A defective flue in the house occupied by C. M. Licklider near the school house caught fire about nine o'clock Saturday night and caused a fire alarm to be turned in. Before the Fire Company and citizens could reach the scene, however, the flames had been extinguished by neighbors before any serious damage had resulted.

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in  
writing of her experience with Cardui, the woman's  
tonic. She says further: "Before I began to use  
Cardui, my back and head were hurt so bad, I  
thought the pain would kill me. I was hardly able  
to do any of my housework. After taking three bottles  
of Cardui, I began to feel like a new woman. I soon  
gained 35 pounds, and now, I do all my housework,  
as well as run a big water mill.  
I wish every suffering woman would give

a trial. I still use Cardui when I feel a little bad,  
and it always does me good."  
Headache, backache, side ache, nervousness,  
tired, worn-out feelings, etc., are sure signs of woman-  
ly trouble. Signs that you need Cardui, the woman's  
tonic. You cannot make a mistake in trying Cardui

**Muffins**

By Mrs. Janet McKenzie Hill, Editor of  
the Boston Cooking School Magazine.

When muffins are on the breakfast table,  
nobody cares for meat or eggs and they  
would be served more often if this meal  
were not prepared so hurriedly that there  
is no time to make them. If K C, the  
double-raise baking powder is used, the  
batter may be stirred up the night before,  
put in the pan ready for baking and noth-  
ing to do in the morning but bake them.

**One-Egg Muffins**

2 cups flour; 2 slightly rounded tea-  
spoonfuls K C Baking Powder; 1 tea-  
spoonful salt; 1 cup sugar; 1 cup melted  
butter or lard; 1 egg; 1 cup water or milk.

Sift dry ingredients together three times.  
Add to this the unbeaten egg, melted  
butter and water or milk. Then beat  
all together until perfectly smooth. Oil  
muffin or gem pans and have oven slow  
until the muffins come to the top of the pan,  
then increase the heat to bake  
and brown the muffins. This  
recipe makes 12 large muffins.  
Raisins or currants may be  
added if desired.

**Graham Muffins**

1 cup graham flour; 1 cup pastry  
flour; 2 level teaspoonfuls K C Baking  
Powder; 1 to 2 level tablespoonfuls sugar;  
1/2 teaspoonful salt; 1 egg; 1 1/2 cups milk or  
water; 2 to 3 tablespoonfuls melted but-  
ter; mix and bake as One-Egg Muffins.

Graham batter should always be quite soft  
to insure light and moist muffins.

To get 88 other recipes as good as these,  
send us the certificate packed in every 25-  
cent can of K C Baking Powder, and we will  
send you "The Cook's Book" by Mrs.  
Janet McKenzie Hill. Handsomely illus-  
trated. Jaques Mfg. Co., Chicago.

**STRENGTH FOR OLD PEOPLE**

**A Simple Remedy Which Favors  
Longevity.**

You act as though you just won-  
dered how you are going to get  
through this trying season and do  
your work.

You may be overworked or have  
had a bad cold which has left you  
without strength, ambition or much  
interest in life; in fact you are all  
run-down.

Let us tell you that Vinol, our deli-  
cious cod liver and iron tonic, is just  
the remedy you need to rebuild wast-  
ing tissues and replace weakness  
with strength.

A prominent Boston lawyer says:  
"My mother, who is 76 years of age,  
owes her good health to Vinol as  
since taking it she can walk farther  
and do more than she has for years.  
I consider it a wonderful blood  
making and strength creating tonic."

We have such faith in Vinol that  
if it does not quickly build you up,  
restore your strength and make you  
feel well again, we will return your  
money. Try Vinol on our guarantee.

**THE MONEY GETTER.**

**H**is never romps the children on his  
knee.  
It's all the same to him if skies  
are gray.  
To him a shady oak is just a tree.  
A holiday is just a wasted day.  
He doesn't know a thing of laughing  
streams.  
On fishing trips he's never been known  
to go.  
He never builds a castle in his dreams.  
But people say he gets the money,  
though.

He seldom spends an evening with his  
books;  
He's never read the masters of the past.  
He only knows two speeds—the slow and  
fast.  
The finer shades of manhood reach him  
not.  
The sweeter depths of life he doesn't  
know.  
He seems to have no secret sacred spot.  
But people say he gets the money,  
though.

He cannot talk of music or of art.  
He never gave a rosebush any care.  
His life is spent forever on the mart  
Where only cries of commerce fill the  
air.  
But he can talk of dollars with a will.  
His eyes grow bright if you but mention  
gold.  
'Tis true he fills his money bags, but still  
I'd rather keep my day dreams and  
grow old.

Wedding Bells: John Fisher and Miss Rosa Wittmann were happily married at St. Louis Church on Tuesday morning, October 28, during a nuptial High Mass. Rev. Father Heckmann performed the Ceremony. The attendants were Mr. Albert Fisher and Miss Annie Wittmann. After the Ceremony the bridal party repaired to the hospitable home of the lovely bride's parents, Mr. and Mrs. R. Wittmann, a few miles east of town, where a sumptuous wedding dinner was partaken and the rest of the day was pleasantly spent in feasting and celebrating the happy event.

On Wednesday evening October 29th, Mr. Alfred F. Rihn and Miss Alice M. Biediger were happily united in the holy bonds of matrimony also at St. Louis Church, Rev. Father Heckmann again performing the Nuptial Ceremony. The attendants were Mr. Jose Rihn and Miss Elsie Pinn, Mr. Albert Groff and Miss Mary Biediger, Mr. Geo. Mangold and Miss Hilda Tondre and Mr. Geo. Biediger and Miss Clara Jungmann. A Reception was tendered the young couple immediately after the Ceremony at Hotel Commercial and the rest of the evening was spent in partaking of a fine wedding supper and celebrating the happy event. A free wedding dance, given at the Empire Opera House at night, was largely attended and very much enjoyed. We join the scores of friends in wishing both young Couples a long, a happy and prosperous married life.

### Saved His Foot.

H. D. Ely, of Bantam, O., suffered from horrible ulcer on his foot for four years. Doctor advised amputation, but he refused and reluctantly tried Bucklen's Arnica Salve as a last resort. He then wrote: "I used your salve and my foot was soon completely cured. Best remedy for burns, cuts, bruises and eczema. Get a box to-day. Only 25c. All druggists or by mail. H. E. Bucklen & Co., Philadelphia or St. Louis."

C. R. Gaines, Buick dealer of Hondo, drove home yesterday at the wheel of a new Buick model B-25 touring car. While here Mr. Gaines subjected the new six-cylinder demonstrator which is now on display at the local Buick branch, to a searching mechanical investigation, pronouncing it, when through, the most perfect piece of workmanship that he had ever seen.—Saturday's Light.

## NO-TSU-OH CELEBRATION

IS NOW IN ITS FIFTEENTH YEAR AND HAS GROWN TO HUGE PROPORTIONS.

### A WEEK OF FROLIC AND FUN

It is Houston's Opportunity of Entertaining Her Thousands of Texas Neighbors—There Will Be Fun for All.

It has taken its place as one of the established institutions of the South, has the No-Tsu-Oh celebration given each year in Houston. This year the dates are November 10 to 15.

The No-Tsu-Oh is now fifteen years old. It has grown to huge proportions. It is spectacular, one of the most spectacular entertainments in the country, and it is entertaining and instructive.

The thing about this celebration that appeals to the people of the State, and especially to those who reside within three hundred miles of Houston, is the fact that it is given each year for their especial benefit and entertainment.

It is not a money-making scheme, not by any means. As a matter of fact, the average Houston merchant might as well close his doors during No-Tsu-Oh week and give his sales forces a vacation, for all the business they ever do.

It is Houston's method of entertaining the people in her territory. The people of Houston feel that they owe a great deal to the people of the tributary territory. And once each year they invite these people to become their guests. Those who have attended former celebrations of the kind in Houston—and who is it within a radius of 300 miles who has not?—can testify that Houston knows how to entertain her guests.

It is a week of frolic and recreation. Every man and woman in Houston is expected to entertain. Dull care is sent away and a good time is enjoyed for a week.

Now, while it is a frolic, it is clean. There is nothing that ever happens at the No-Tsu-Oh that would cause a refined, modest lady to blush. Everybody, however, is expected to be human and all are expected to act as real humans should act.

And they do, when they go to the Houston No-Tsu-Oh. They get out of the old shell and shake themselves. They laugh and make merry and the bloom of youth comes back to their cheeks. There is a real life glow and a real life spirit. One does not know just how human he is, nor how human all other humans are, until they have mingled together on the streets of No-Tsu-Oh.

There are never any strangers in No-Tsu-Oh. Though there will be one hundred to one hundred and fifty thousand men and women and children thronging the streets and buildings on the night of the big spectacular parade, which is Tuesday, November 11, every one of them when they rub up against each other will feel that they are acquainted.

Then, in the midst of it the band starts up and the sidewalks are cleared and the boys and the girls, the men and the women, whirl away in the mazes of the waltz.

This is something entirely new in the way of an entertainment—the sidewalk dance. Elaborate preparations have been made for this feature. The committee in charge of this has secured the broadest sidewalks in the downtown portion of the city. They have arranged for orchestras and throughout the day and the evening the music will start and the dance will begin.

It will not cost the visitor a cent. He and his partner may dance to their hearts' content. If they do not happen to be accompanied by a partner, there will be one within arms' reach.

There will be none of the tangos or anything that will offend. It will be clean. Officers will be on the ground to enforce regulations that will keep these dances clean.

There will be such dances at half a dozen places on the sidewalks, and at the same time in a dozen or more halls in the downtown district there will be dances. Everybody is welcome. Everybody, in fact, is urged to be present. There is but one qualification—you must be a lady and gentleman.

### Bald as a Badger.

The phrase "bald as a badger," now falling into disuse, arose from the mistake of some of the old writers on natural history, who mistook the soft white hair on the forehead of a badger for baldness. The same mistake was made in dubbing the magnificent wheat-headed eagle (aquila heliaca) the bald-headed eagle. The skin of the badger is by no means as white as a badger's head.

High Prices for Gruesome Relics. Gruesome relics were sold in a Paris auction room the other day. One was that of the petrified body of a Patagonian slain in battle several thousand years ago. The price was \$1,640. Head of Indian cut off in battle, \$265, two books, one bound in the skin of a white woman, the other in the skin of a negro, \$100.

### Happiness.

Those who have the most of happiness think the least about it. But in thinking about and in doing their duty happiness comes—because the heart and mind are occupied with earnest thought that touches at a thousand points the beautiful and sublime realities of the universe.

## THE FLOWER PAGEANT

THAT BEAUTIFUL AND EVER-WELCOME FEATURE WILL EXCEL PREVIOUS EFFORTS.

### KING AND QUEEN TAKE PART

Will Be a Great Feature at No-Tsu-Oh During Week of November 10 to 15—Headed by King Nottoc and Queen.

The flower pageant during the No-Tsu-Oh celebration in Houston, November 10 to 15, will undoubtedly eclipse anything of the kind ever witnessed in this State.

That feature last year was pronounced by far the most refined thing that had ever been seen in this State.

This feature of the No-Tsu-Oh has been developed along very comprehensive lines. During the earlier years of the No-Tsu-Oh celebration it was made a contest affair, prizes being offered for the prettiest and most artistic floral designs in the parade, and anyone who had a vehicle could enter and compete for these awards.

The later plan, adopted, however, places the entire parade in the hands of the No-Tsu-Oh association.

The association sent a representative to the East, who made a contract with the largest concern in the country which manufactures artificial flowers.

A decorator was secured who has devoted a number of years to her art, and then the association selects the vehicles that shall participate in the pageant. Motor cars, electric and horse-drawn vehicles are selected, and particular attention is given to their size, and the decorations conform to the size of the vehicle, and at the same time there is a harmonious arrangement of the vehicles in the pageant according to their size and the flowers they shall represent.

Verily, when these vehicles shall move through the streets one who looks on will feel that he has been transported to the land of flowers, of grapes, and butterflies.

Every flower will be shown in every shade and tint, in all their varieties, while above many of them will flutter dainty butterflies; hanging from arbors and peeping from vines and foliage will be luscious grapes. Yes, they will be artificial, but so real as to cause the mouth to water.

This pageant will move through the streets and out to Sam Houston Park, where the climax will take place. This will be in the nature of a miniature flower pageant participated in by little tots from 2 to 12 years pushing their little doll carriages, all draped in floral designs much after the same manner as the vehicles of the larger parade.

The larger pageant will be headed by King Nottoc and his queen. It will be their first public appearance after the coronation. With them distributed through the pageant will be the queen's ladies in waiting.

The vehicle of the king and queen will be rushed out to the park at the close of the march through the streets and Nottoc and his queen will occupy a beautiful throne.

The miniature pageant will move through the winding driveways in the park to the throne, where they will form a setting for the throne.

The larger parade will then wind through the park and pass the throne in review. It will be a very beautiful and inspiring picture, and will doubtless be witnessed by many thousand people.

American Indians. When Christopher Columbus arrived at the West Indies on his voyage of discovery in 1492, he felt quite sure he had discovered islands off the coast of India, so he naturally dubbed the natives Indians. Then, as a matter of course, on his arrival at the mainland, he continued to call the aborigines Indians, and the name has clung to the red man ever since.

**Need Not Be Ashamed of Name.** The surname Snooks by no means seems to be an imposing cognomen; but, as a matter of fact, it is a name of great antiquity, and one of which nobody should be ashamed. In reality, it is a contraction of "Sevenoaks." It was first corrupted to Sennock, which in turn was corrupted to Snooks of today.

**To Clean Walls.** When walls or ceilings are papered with oilcloth or painted, put on wash boiler of water and close doors and windows and boil the water until walls and ceilings are wet with steam. Take a long-handled scrubbing brush or broom, tie a soft rag and wipe your walls. This will save lots of time and trouble.

**Had Experience.** Manager—"The critics say that in the play 'A Wronged Wife' you do not exhibit enough emotion when your husband leaves you, never to return." Popular Actress—"Oh, I don't, don't? Well, I've had two or three husbands leave me, never to return, and I guess I know as much about how to act in those circumstances as anybody."

**Lessening the Shock.** A Cleveland surgeon is said to have found a way to rob surgical operations of the shock. A good way would be to break it gently to the patient that the regular fee would be cut in half.—Louisville Courier-Journal.

## COATED TONGUE MEANS LAZY LIVER

A Lazy Liver Needs a Dose of Dodson's Liver Tonic—Guaranteed to Take the Place of Calomel!

When your doctor looks to see if your tongue is coated, he is trying to find out if your liver is working properly. A few years ago doctors had to prescribe calomel—there was nothing else to give.

Recently in many sections of the country Dodson's Liver Tonic has practically taken the place of calomel as a liver remedy. Dodson's Liver Tonic is a mild, pleasant-tasting and harmless—which makes it a fine medicine for use when your children become bilious and constipated. But the most remarkable feature of Dodson's Liver Tonic is the fact that W. H. Windrow who sells it, guarantees it absolutely. The drug-gist will return your money without argument if a bottle fails to give entire satisfaction.

Price, 50 cents. We suggest that you get a bottle today and have it ready for the next member of your family whose liver goes wrong.
